

Scattegories

This is a creative thinking category game. Students play in teams of 2-4. The objective is to score points by naming objects within a set of categories given in initial letter.

To Play

- Write 3-5 categories on the board.
- Pick a letter from the alphabet and write it on the board.
- When students have words to fill all the categories they raise their hand.
- Students get points for each round they have a correct or accurate word or phrase starting with the chosen letter for every category.
- If they do not have words for every category the teacher calls on another group.
- The teacher evaluates the validity of questionable answers.
- The team with the greatest number of points at the end of the game wins.
