

THE ECO<sub>2</sub>SCHOOL GUEST SPEAKER SERIES

# Street Skills for Teens

**From beginning cyclist to an avid rider we all need to be more aware of the rules and responsibilities.**

*We support you in helping your students develop a deep understanding of climate and innovate for positive and impactful action.*

This **two-hour overview** to bicycle commuting provides practical and effective solutions to some of the challenges and barriers teen cyclists may face.

Whether your motivation is saving money, improving teen health and fitness, beating traffic, or reducing carbon footprint, this workshop is the right fit!

*Linked to CA Physical Education Content Standards  
and American League of Cyclists Ride Smart.*
